Letter of Conformance to ISO/TS 16949:2009

Dear Sirs,

We are pleased to announce that your company has achieved compliance to the requirements of the Technical Specification, ISO/TS 16949:2009 – Third edition for following scope:

Manufacture of Forged components such as Crank Shaft, Gears, Pinion

TÜV Rheinland conducted the certification audit in the company, during 8th March - 10th March 2017. After the completion of follow-up actions on audit findings, the audit documentation has subsequently been reviewed and cleared by the certification office.

A certificate to ISO/TS 16949:2009 cannot be issued at the moment as the site cannot yet demonstrate the required 12 months of performance data. According to the "Rules for achieving IATF recognition – Fifth Edition – 1 November 2016", as an interim measure, this "Letter of Conformance" is issued to certify, that, **Hilton Metal Forging Ltd. with remote location**

- **Hilton Metal Forging Ltd.** (responsible for Policy Making, Quality System Management, Marketing, Purchasing) conform to the requirements of the Technical Specification, ISO/TS 16949:2009 –Third Edition.

This letter is valid until 05 July 2018.

Should you need any further information, please do not hesitate to contact us. We thank you for your support to TÜV Rheinland Group.

Best regards,
